

NAZ MOHAMMAD KHIDHIR

MEDICAL MICROBIOLOGY GRADUATE

Erbil, Kurdistan Region, Iraq | Phone: 0750 775 0602 |

PROFESSIONAL PROFILE

High-achieving Medical Microbiology graduate with a strong academic record and practical laboratory internship experience at MMC. Familiar with routine diagnostic tests and procedures, including complete blood count (CBC) and C-reactive protein (CRP) testing. Completed an excellent-rated graduation research project on occupational gasoline exposure and its relationship with hematological and biochemical parameters. Detail-oriented, multilingual, and motivated to contribute to a clinical, diagnostic, research, or public-health laboratory.

EDUCATION

Bachelor of Science (B.Sc.) in Medical Microbiology

College of Science, Department of Medical Microbiology | International University of Erbil, Erbil, Iraq

Graduated in 2026 with a distinguished academic record and repeated recognition for outstanding achievement.

CLINICAL LABORATORY INTERNSHIP

Medical Laboratory Internship - MMC

Erbil, Iraq

- Gained practical exposure to a range of medical laboratory tests and standard operating procedures.
- Learned the workflows and principles of complete blood count (CBC) and C-reactive protein (CRP) testing.
- Strengthened awareness of specimen handling, laboratory accuracy, biosafety, documentation, and professional teamwork.

GRADUATION RESEARCH PROJECT

Research Thesis - Excellent Grade

Title: *Effects of Gasoline Exposure on Some of the Hematological and Biochemical Parameters Among Gas Station Workers in Erbil City*

- Examined the potential relationship between occupational gasoline exposure and selected hematological and biochemical parameters among gas station workers in Erbil City.
- Successfully completed the project and achieved an Excellent grade, demonstrating research, scientific writing, data interpretation, and presentation skills.

ACADEMIC HONORS AND RECOGNITION

Four Certificates of Appreciation

Presented by the President of the International University of Erbil

- Recognized as the 1st-ranked student for the 2022-2023 academic year.
- Recognized as the 2nd-ranked student for the 2023-2024 academic year.

CORE SKILLS

LABORATORY

- CBC and CRP testing familiarity
- Basic hematology and biochemistry
- Specimen handling and laboratory workflow
- Biosafety, accuracy, and quality awareness

RESEARCH & PROFESSIONAL

- Scientific literature review and report writing
- Data collection, interpretation, and presentation
- Attention to detail and confidentiality
- Teamwork, communication, and time management

LANGUAGES, CERTIFICATION AND PERSONAL INFORMATION

Languages: Kurdish, Arabic, English, Hindi, and Turkish

Nationality: Iraqi

English Certification: IELTS Overall Band 6.0
